

Signature Line Well Instructions

- 1 Install the power supply with the instructions given.
- 2 Turn the system on by removing the photo eye (unplug the photo eye micro-connector from the power supply).
- 3 Connect the power supply to the first connector cable or light by plugging together the black connectors.
- 4 Install the well lights where desired.
- 5 Space the well lights apart by plugging in the black connectors on the connector cables into the connectors on the light fixture.
- 6 Continue to connect all the lights together.
- 7 Reconnect the photo eye when installation is complete.
